

Greetings!

Here's the list of contents of the *Youth Coalition Against Smoking* tool kit! It offers you several tools to help you realise your projects. If your project has specific needs not covered in the tool kit, please don't hesitate to contact us. We may be able to offer you some custom assistance with specific tools, information or training to help you save time!

Feel free to contact your regional agent for more details.
Looking forward to hear from you!

YCAS tool kit contents
